

GREEN HILLS SOCCER CLUB PUBLICITY FORM

It was decided at the coaches' meeting in August that GHSC could do more to promote soccer in our communities through the local media. Here is an easy outline form to write down the information immediately after the game while it is still fresh in your mind. Please turn it in after your game so that the news releases will be on time. All information may not pertain to all divisions. Feel free to add anything that might be appropriate for your age division. You do not need to fill in each blank, but this gives you a general idea of the types of recognition you could give players. Please write legibly so that information will be correct for the article.
